

Mass of
 CuSO_4

```
graph LR; A[Mass of CuSO4] --> B[Moles of CuSO4]; B --> C[Moles of Cu]; C --> D[Mass of Cu];
```

The diagram is a horizontal flowchart with four rectangular boxes connected by arrows. The first box is light yellow and contains the text 'Mass of CuSO4'. An arrow points from this box to the second box, which is light orange and contains 'Moles of CuSO4'. Another arrow points from the second box to the third box, which is also light orange and contains 'Moles of Cu'. A final arrow points from the third box to the fourth box, which is light yellow and contains 'Mass of Cu'.
